

TWERGO LITE WHEELS

1,800 LBS maximum capacity

casterdepot.com

FEATURES

The single wheel version of our extraordinary TWERGO wheels, utilizes the same patented face design to reduce initial and continuous push force. TWERGO Lite makes it easier to push a cart, reducing the amount of energy exerted by the operator.

TWERGO Lite is the ultimate 2" wide wheel. It is designed to replace standard caster wheels by adding significant ergonomic benefits, without significantly increasing the price. TWERGO Lite has a cast iron core, making it durable and strong enough to handle challenging environments. A tapered tread design helps to resist debris and push it away.

Wheels: 5" to 8" diameter wheels.

BENEFITS

The benefits of TWERGO Lite include:

- Ergonomic, reduce force exerted to start and continue rolling
- Durable and Strong with a Cast Iron Core
- Maintenance Free, bearings never need greasing

APPLICATIONS

TWERGO Lite is a great replacement to the conventional cast iron wheel, it offers the same cast iron core, while adding ergonomic benefits, making it a great choice for indoor applications like:

- Carts and Racks
- AGV's and Tug Trains

OPTIONS

Wheel Materials:

ErgoTread: Reduces force exerted by returning energy

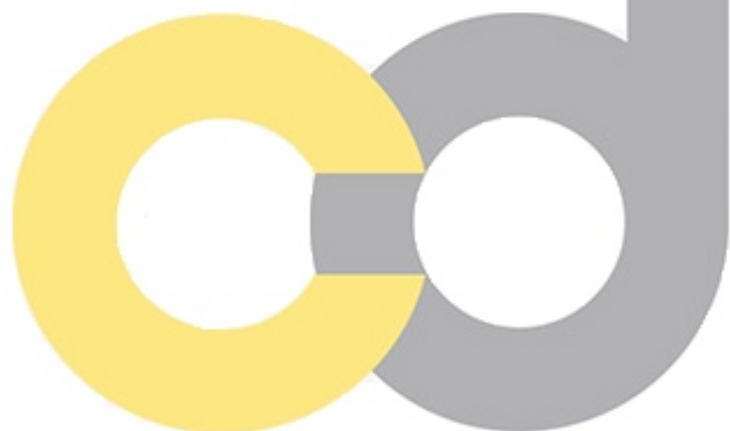

T/R-85A Polyurethane: A soft yet strong material, with a high resistance to tearing, T/R-85 resists debris and does not mark or damage most flooring

T/R-95A Polyurethane: High tear and debris resistance in a harder wheel, increases weight capacity but a little harsher on flooring

MORE ON TWERGO

For optimal ergonomic benefit, we recommend using TWERGO Lite wheels on our ErgoMaxx line of kingpinless, maintenance-free ergonomic rigs, including the 37, 55, 57 and 87 Series.
